

2023 SPORTS PICTURE DAY PREP SHEET

HOW PICTURE DAY WILL LOOK:

- Have your child(ren) ready to be photographed. This includes hair done, all pieces of their uniform on (as though they are ready for the game) and on time. Your coach will let you know when your team's picture day and time is AND where to meet.
- There are NO order forms to fill out. Your coach/club provides a roster with the kid's names for me.
- **All orders are 100% online.** Your pictures will be ready for viewing after everyone is photographed. The gallery will stay open typically 7-10 days. You should receive your order in the mail approximately 7-10 business days after ordering.
- **All orders will be mailed directly to the customer. Please be sure your address is correct when checking out.**
- Screenshotting is NOT allowed when viewing the online gallery. All images are copyrighted to Flaherty Photography. There is a digital file option for purchase of your individual child only that can be shared on your social media.

Please note: the online gallery will be deactivated with adequate notice. The gallery will re-open for digital orders only of the individual (no team pictures) after this deadline and will be live for 2 weeks.
